Enquiries: Ms F.I. Chohan (HOD)

## **MESSAGE FROM THE PRINCIPAL**

We welcome you to term three. We are glad to have all our learners and educators back. Our focus again this term will be to provide quality teaching and learning, and building a strong relationship with all our learners and parents.

Our partnership with our parents is an important one for our school. All our parents received the June reports and have made a note of the challenges and achievements.

If you need to meet with an educator make an appointment to discuss your concerns.

We urge all parents to meet with an educator and discuss your concerns.

We urge all parents to, diarise important dates from our term three plans. This will help you to plan for the assessments and sporting activities.

An important event that will take place this term is our "Readathon Week" and we will observe Mandela Day on the 18<sup>th</sup> July. Our web page provides sufficient information about our curriculum and assessment, we encourage all our parents to visit our web site.

We thank you for your support and wish you success for term 3

## ***ENGLISH/MATHEMATICS INTERVENTION CLASSES GRADE 4-6***

Saturday intervention classes continue this term. These classes aim to bridge the gap and to build confidence in our learners in small groups.

## **POSITIVE PARENTING TIPS**

- Appreciate every effort your child makes, regardless of the outcome. This will inspire him/her to keep trying.
- Do not shield your child from every upsetting situation. It will make him/her unfit to handle the reality of life.
- Never ridicule the dreams of children. Handle their imagination tenderly to make them confident.
